About Us

OUR COURSE

The Ebotse Links is a Peter Matkovich Signature design golf course.

Ebotse Links is the ONLY in-land links golf course in South Africa which also has a unique AQUA Driving Range.

Our Links Course has 7 holes on water and has been built to US PGA specs.

The style of play on a links golf course is quite different from the style required on other types of courses.

OUR CLUBHOUSE

A newly renovated clubhouse to entertain up to 150 people in the Katse function room, as well as The Pot Bunker for after golf drinks.

We also boast a well stocked Pro Shop with all the latest golf products available.

The logo for EBOTSE LINKS features the word "EBOTSE" in a bold, black, sans-serif font. The letter "O" is replaced by a green, textured golf ball. Below "EBOTSE" is the word "LINKS" in a lighter, grey, sans-serif font. The background of the entire page is a photograph of a golf course clubhouse with a balcony and several golf carts parked in a paved area. A large, faint, stylized golf ball graphic is overlaid on the right side of the page.
